FROM THE EDITORIAL TEAM

Hello ! Our 'Foot Prints' has arrived,
Holding all the magic of 2012-13.
Let's not be deprived, let us recall,
How much we have strived, one and all.
St. Katherine blessed us all in April
By letting the children understand her with zeal
The Carrom Competition was great fun
Where everyone wanted to know who had won !
The Movie show came as a treat,
Which the children will remember in every deed.
Endless 'enthu' they showed for their elders,
By collecting funds, with little hands, Oh ! so tender !
On Independence Day they played the role
Of Freedom fighters, with patriotic fervour in every soul.
Our little story tellers surprised us that day
When they engulfed us with many stories to share.
The Book Fair opened a new world to them,
Where books were the hosts
And they were there, pair - after pair !
The Rakhi-making competition caught
The Children's love and thought.
The One Nation Reading Activity
Filled our children with great unity.
And 'Sitare' the cultural programme of 'Ours'
Was really an event to showcase our sparkling stars !
The Asset Test brought hiccups,
Where MCQ's were ready for them to pick up !
The Christmas Celebrations were fun indeed
Oh ! Let everyday be 'Christmas' we plead !
Really....
A year so great
It's hard to forget.

HelpAge INDIA

Help Age India is a secular, apolitical, non-profit and a non-governmental organisation in India registered under the Societies Registration Act of 1860, set up in 1978. Help Age India is a registered national level voluntary organisation. Since its foundation, its mission is to work for the cause and care of disadvantaged older person, in order to improve the quality of their lives.

It is my privilege of having a class who knows how to help and respect the elderly citizens of our country. It is because of the values enculcated by the school in the minds of the

children that they readily and actively participate in this cause without hesitation. They whole heartedly support and come forward to help the old people by showing their bit of love in the form of contributing large amounts of money. Being teachers, it is imperative that from their childhood only we should inculcate and make them aware of such social values.

सेमिनार हमारे मानसपटल पर एक अमिट छाप छोड़ता है, हमें उद्दीपित और अनुप्राणित कर हमारी अंतर्भावना को जागृत करता है। हिन्दी भाषा-विज्ञान से संबंध इस कार्यशाला में आरंभिक कक्षाओं में पाठन (शिक्षण) के लिए हमारा मार्गदर्शन किया गया।

पब्लिशर की ओर से जो लेखन-सामग्री हमें प्रदान की गई, वह अत्यंत उपादेय है। उक्त कार्यशाला एक अत्यंत सरल एवं उपादेय कार्यशाला रही।

सेमिनार का उद्देश्य शिक्षकों को ज्ञान देना होता है। इसमें विचारों के आदान-प्रदान के साथ विषयों को अच्छे ढंग से दर्शाया जाता है। सेमिनार की बातें हमारे अंतर्भावना को जागृत करती हैं। इसी तरह हमारे विद्यालय में भी ऐसी ही एक सफल कार्यशाला का आयोजन दिवस दिनों किया गया था। जिसमें श्री त्रिलोक कौशिक तथा श्री सदन कुमार सिन्हा ने अपने विचार प्रकट किए। शिक्षकों के सामने नए-नए तथ्य प्रस्तुत किए। जैसे- बिना डर के बच्चों को पढ़ाना, खेल-खेल में पढ़ाई, गानों के माध्यम से पढ़ाना, पहली के द्वारा पढ़ाना। जिससे रचनात्मक विकास हो। बच्चों के लिखने का ढंग, शुद्ध उच्चारण कैसे करें और पढ़ने में रुचि पैदा कैसे हो आदि तथ्यों पर विस्तार से चर्चा हुई।

"A good teacher should also be a good student throughout his life because there is no limit of acquiring knowledge". We all learnt this in the Maths Workshop.

Mr. Sajid from the 'Jodo Gyan' organisation had enlightened us with his interesting steps towards making the maths teaching not only interesting but also easy. The aids which he suggested were mainly three - Ganit Mala, Ganit Rack and Silai Mithai. These three magical aids are really great once we start using it. The Ganit Rack is fit for the little children who find the rack very interesting.

I thank our school for organising such workshops where we get the opportunity of learning these things by doing it ourselves. We look forward for many more such workshops.

Nandini Sen Gupta
(Class Teacher III 'B')

MATHS WORKSHOP

Mr. Sajeed suggested some of his innovative and experienced techniques of teaching the young minds to calculate with the help of the Ganit Mala, Ganit Rack and Silai Mithai.

When the same techniques were implemented by the teachers in the classrooms the children really enjoyed solving their sums.

It has made the Maths periods really interesting. Since it is easy to make the children understand the calculations in the easiest way.

Ms. Ishanee Abraham

This year our school introduced new methods of teaching mathematics to make the concepts more clear and the subject more interesting.

In Std. I we, introduced 'Ganit Rack' and 'Ganit Mala'. It was much easier and interesting in teaching forwards & backward counting, tables, friends of numbers, concept of doubling, number analysis, recognition and calculation etc. It was very successful in the class and a useful tool for teaching maths (basic) in lower classes.

The children were very excited with these new teaching methodologies and I too was surprised with its surprising results.

Sarika Rani (Class Teacher I 'A')

ENGLISH LANGUAGE WORKSHOP

I am highly honoured to state that our school had organised an English Workshop in the month of April 2012. It was really informative, educative and inspiring. The workshop was certainly enriching, enlightening, qualitative and educative. It was an eye opener to everyone of us. We could understand and learn how to deal with the present English language requirements using new and innovative techniques.

Mrs. Lucy Tom

ENGLISH LANGUAGE WORKSHOP

Last year we had workshops on different subjects. These workshops are really of great help to the teachers. They are educational, informative and fun too. All the workshops were quite good, but the one conducted on bulletin boards was a different experience from all the others.

We got to know about the different purposes that the bulletin boards can serve. They can be used in any classroom for any subject and at any time of the year. We really enjoyed that workshop. Such workshops enable us to understand better and at the same time enhance our experience.

क्रिसमस उत्सव

इस वर्ष मैंने तृतीय 'बी' की कक्षा के बच्चों के बीच क्रिसमस का उत्सव मनाया। उत्सव क्या था? खुशी तथा मनोरंजन का माहौल।

जैसे ही मैं कक्षा में गई, कक्षा तो देखने लायक थी। बच्चों ने स्वयं अपने-अपने बनाए तरह-तरह के कार्ड से कक्षा को सजा रखा था, साथ ही गुब्बारे तथा बल्बों ने कक्षा की सुंदरता में चार चांद लगा दिए थे।

बुलेटीन बोर्ड पर ईसा मसीह तथा सान्ता क्लॉज के चित्र इस सजाए थे, जो देखने में अति सुन्दर लग रहे थे। कुछ बच्चों ने मसीह के जन्मोत्सव का नाटक किया तो एक बच्चा सान्ता बनकर बच्चों के बीच टॉफी बाँटने लगा। कुछ बच्चों ने क्रिसमस गीत गाए। बच्चों ने खूब मस्ती की और उनके साथ मैं भी आनंद उठाया। वह दिन मेरे लिए एक यादगार दिन बन गया।

Archana Mishra (Hindi Teacher)

Our class and our teachers organised a small party. It was held in our class.

Tanisha Raj (IV 'D'), Kritika (IV 'D')

The Bulletin Board Competition was a new and wonderful experience for me. It was among all the classes. The children of my class helped me in decorating the boards. Few of them brought some decorative items for the Bulletin Board also. It was held on 22nd December. On 23rd morning I was really surprised when I came to know that our class had been selected for the 1st prize. I have a keen interest in art and craft and I enjoyed very much giving my participation and received a lot of appreciation from the teachers and Headmistress.

Swagata Roy (U.K.G 'F')

There are many celebrations and competition in our school every year. But this one was some what special for me, because it was the Bulletin Board Competition among all the classes. The topic was Christmas Celebrations. My children had brought many beautiful things like stars, Christmas trees, balls, ribbons etc. I also made very pretty bells to decorate the board. My children helped me a lot for making the board attractive. I was thrilled when my class got the 1st prize in this competition.

Seema Upadhyay (I 'F')

I joined the school in December and was busy in understanding the class. Soon I felt very comfortable because of the great support of my colleagues, specially "Nandini". Then I came to know about the Bulletin Board Competition on the theme of Christmas. I shared my ideas to the children. They made all the things and decorated the bulletin board with enthusiasm. We became very happy when the boards of III 'C' and III 'F' were chosen as judges. It's really the victory of "teamwork". I am very happy to get such a wonderful support from my colleagues and students.

"WOW" I WON THE PRIZE. In December, 2012, a Bulletin Board Competition was held among the classes of St. Karen's Montessori School. We decorated our Bulletin Boards. And the theme was—"Christmas". My class children bought many decorative items and helped me in decoration. I had decorated one of my boards with Christmas trees, Santa Claus, Gifts and Balloons.

On the other board, I put up a crib with candles, bells and stars. After the decorations my class really looked very beautiful.

When the result was announced, I was very happy to know that Class III 'C' had won the competition.

It was really a great feeling and exciting moment for me and my class in this "Christmas Season".

Soft Board Competition

Coming across this word, the picture that flashes through our mind is merely a green coloured board hanging on the walls of our classrooms. But very few of us pay attention to the fact that not only does it serve the purpose of decorating the class but also serves other positive aspects.

Considering this fact the school management announced a Soft Board Competition on 22nd Dec. 2012. It was an exciting moment for all the teachers as well as the students (especially for me). Since preparing a soft board is not less than a passion for me. Finding spare time to prepare a soft board is not as easy as it sounds. But my students and I tried our best to make our soft board look not only attractive but also innovative. And my very talented children didn't let my passion down, hence making our class the winner of the competition. The soft board made by the other classes were also fabulous pieces of work.

Mrs. Shilpi Lata (IV G)

Humah I (Class I 'E') got the First Prize for the Bulletin Board Competition. After a lot of planning, I discussed about bringing the materials with my students and they brought - stickers of Santa, Jesus and Mother Mary. I projected my imagination on the Bulletin Board, with posters, candles, stars and a Santa with gifts. The whole class was looking like a small church! It was Jesus' blessing that I got the first prize!
